Corrigendum in NIT

Tender Reference No: WBSEPS/DMS/e-18/18-19/BBSHSlg Stage Roof

Tender id : 2018_WBSE_200483_1

Work Description: Construction of Design Roofing, Cladding and Flooring over Concrete Stage at Biswa Bangla Shilpi Haat, Siliguri.

in Eligibility Criteria and Bid Evaluation

Appropriate Authority has decided to issue the following corrigendum in the NIT for clarity in the Eligibility Criteria and the Bid Evaluation;

Eligibility Criteria (Clause 3 at Page 2 of the NIT):

Under Eligibility Criteria clause iv) is inserted after clause iii), which reads " The bidder should submit design of the work as mentioned above compatible to the design of Biswa Bangla Shilpi Haat, Siliguri".

Bid Evaluation (Clause B at Page 6 of the NIT):

Under Bid Evaluation clause d) is replaced with new Clause d) and insertion of Clauses e) to h) as detailed below;

d) For evaluation of technical bid 10% weightage will be given to the financial capacity of the bidder. Highest marks of 10 will be given to the bidder with highest financial capacity. The bidder with next highest financial capacity will be given 8 marks i.e. 2 marks less and so on. Minimum marks admissible to the bidders who have fulfilled all the minimum criteria is 4.

e) 10% weightage will be given to the technical Capability of the bidder. Highest marks of 10 will be given to the bidder with highest technical Capability. The bidder with next highest technical Capability will be given 8 marks i.e. 2 marks less and so on. Minimum marks admissible to the bidders who have fulfilled all the minimum criteria is 4.

f) 10% weightage will be given to the Experience/Credential of the bidder. Highest marks of 10 will be given to the bidder with highest Experience/Credential. The bidder with next highest Experience/Credential will be given 8 marks i.e. 2 marks less and so on. Minimum marks admissible to the bidders who have fulfilled all the minimum criteria is 4.

g) Bid evaluation Committee will examine and assess the suitability (both technical aspect as well as aesthetic aspect) of the design submitted by the bidders. Based on the compatibility of the design with the design of Biswa Bangla Shilpi Haat, Siliguri and the aesthetic value of these designs, Bid Evaluation Committee will arrange these serially from the best. The decision of Bid evaluation Committee in this respect is final. 70% weightage will be given to the design of the work submitted by the bidders. Highest marks of 70 will be given to the bidder who has submitted best design. The next design will be awarded 65 marks i.e. 5 marks less and so on.

h) Based on marks obtained through the above process, a list of bidders will be prepared. Technical bids of top 3 (three) number of bidders will be accepted for opening of financial bids.
