(10) LOCOATION OF CRITICAL EVENT:

BID OPENING PLACE:

Office of the Director & Member Secretary,
West Bengal State Export Promotion Society,
Oswal Chambers, 4th floor, Room No. 401,
2, Church Lane, Kolkata- 700 001.

(11) The Agency will be liable to maintain the work at working portion at the appropriate service level to the satisfaction of the Officer-in-Charge/ Engineer-in-Charge at his own cost for a period of 1(One) year from the date of completion of the work. If any defects/damages is found during the period as mentioned above contractor shall make the same good at his own cost expense to the specification at par with instant project work. Failure to do so, penal action against the Agency will be imposed by the Department as deem fit. The Agency will have to quote his rate considering the above aspect. Also the Prospective Bidders shall have to execute the work in such a manner so that appropriate service level of the work is kept during progress of work and a period of 1(one) year from the date of successful completion of the work to the entire satisfaction of the Officer-in-Charge/ Engineer-in-Charge may be considered towards release of full "Security Deposit".

A retention towards Performance Security amounting to 10 (ten) percent (including 2% Earnest money) of the billed amount shall be made from the 1st RA bill to the Final Bill.

No interest would be paid on the Performance Security Deposit.

(12)All Bidders are requested to present in the Office of Director & Member Secretary, West Bengal State Export Promotion Society, Kolkata, during opening the financial bid after opening of the said bid to obtain the suitable rate further, if it is required. Any objections in this respect will not be entertained raised by any Bidder who will present during opening of bid, or from any Bidder who will absent at the time of opening of Financial Bid. No informal Bidder will be entertained in the Bid further.

(13)Site of work and necessary drawings may be handed over to the agency phase wise. No claim in this regards will be entertained.

(14)Earnest Money: - The amount of Earnest Money @ 2% (two percent) of the estimated amount/amount put to tender i.e; 24,911/- (Rs. Twenty four thousand nine hundred and eleven only) should be remitted through his net banking enabled bank account, maintained at any bank or: offline –through any bank by generating NEFT/ RTGS chalan from the e–tendering portal. Intending Bidder will get the Beneficiary details from e–tender portal in favour of "West Bengal State Export Promotion Society", against the work.

(15)The Bidder, at his own responsibility and risk is encouraged to visit and examine the site of works and its Surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for the work as mentioned in the Notice Inviting Tender, before submitting offer with full satisfaction, the cost of visiting the site shall be at his own expense.

(16) (A) The intending Bidders shall clearly understand that whatever may be the outcome of the present invitation of Bids, no cost of Bidding shall be reimbursable by the Department.

(B) Tender inviting authority reserves the right to reject/cancel any offer without assigning any reason whatsoever and is not liable for any cost that might have incurred by any Bidder at the stage of Bidding.

(C) Tender inviting authority reserves the right to issue any corrigendum to the NIT or cancel the N.I.T. due to unavoidable circumstances and no claim in this respect will be entertained.

(17) Refund of EMD: The Earnest Money of all the unsuccessful bidders will be refunded through online process after uploading **AOC (Award of Contract) procedure** as per Government Order 3975-F(Y), dated 28/07/2016 of Secretary Finance Department, Govt. of West Bengal. No interest will be paid on Earnest Money Deposit.

(18) Prospective applicants are advised to note carefully the minimum qualification criteria as mentioned in 'Instructions to Bidders' before tendering the bids.

(19) Conditional/ Incomplete tender will not be accepted.

(20) Contractor shall have to comply with the provisions of (a) the contract labour (Regulation Abolition) Act. 1970 (b) Apprentice Act. 1961 and (c) minimum wages Act. 1948 of the notification thereof or any other laws relating thereto and the rules made and order issued there under from time to time.

(21) If any tenderer withdraws his/her offer before acceptance or refuse within a reasonable time without giving any satisfactory explanation, he /she shall be disqualified for submitting any tender invited by this office for a minimum period of 1(one) year.

(22) During the scrutiny, if it come to the notice to tender inviting authority that the credential or any other paper found incorrect/ manufactured/ fabricated, that bidder would not allowed to participate in the tender and that application will be out rightly rejected without any prejudice. The Officer-in-charge reserves to right to cancel the N.I.T. due to unavoidable circumstances and any claim in this respect will not be entertained.

(23) Before issuance of the **WORK ORDER**, the tender inviting authority may verify the credential and other original documents of the lowest bidder if required. After verification if it is found that the documents submitted by the lowest bidder is either manufactured or false in that case work order will not be issued in favour of the said bidder under any circumstances.

(24) If any discrepancy arises between two similar clauses on different notification, the clause as stated in later notification will supersede former one in following sequence.

- (i)** N.I.T
- (ii)** Special Terms & Conditions.
- (iii)** Technical Bid.
- (iv)** Financial Bid.

(25) Qualification Criteria: -

The tender inviting & Accepting Authority through an "Evaluation Committee" will determine the eligibility of each bidder. The financial offer of the prospective bidder will be considered only if the bidder qualifies in the Technical Bid.

If any document submitted by a bidder is either manufactured or false, in such cases the eligibility of the bidder will be out rightly rejected at any stage without any prejudice. The decision of The Officer-in-charge will be final and no challenge against such decision will be entertained.

(27) Where an individual person holds a digital certificate in his own name duly issued to him against the company or the firm of which he happens to be a director or partner, such individual person shall while

uploading any tender for and on behalf of such company or firm, invariably upload a copy of registered power of attorney showing clear authorization in his favour by the rest of the directors of such company or the partners of such firm to upload such tender. The power of attorney shall have to be registered in accordance with the provisions of the Registration Act,

(28) The tender inviting authority is not obligated to offer work order to the lowest bidder.

(29) Tender inviting authority at his own discretion may relax minor shortfall (if any) of the qualification criteria of the participants for the interest of Government works.

SECTION - C

Special terms and conditions

C.1 General :

Unless otherwise stipulated all the works are to be done as per general conditions and general specifications in the "Departmental Schedule" which means the Public Works Department, Schedule of Rates for works in West Bengal for the working area including upto date addenda and corrigenda, if any, published by the Superintending Engineer, Electrical Planning & Monitoring Circle, PWD and CPWD DSR as applicable under the e-Tender.

C.2 Terms & Conditions in extended period :

If the contractor shall desire an extension of the time for completion of the works on the grounds of his having been unavoidably hindered in its execution, the contractor shall give an immediate report of such hindrance to the Officer in charge in writing and if he shall desire an extension of time for completion of the work on the ground thereof he shall apply in writing to the Officer in charge within 7 days of the date of cessation of such hindrance on account of which he desires such extension as aforesaid and the Officer-in-charge shall, if in his opinion (which shall be final) reasonable grounds be shown therefore, authorize such extension of time, if any, as may, in his opinion, be necessary or proper. As the case may be when an extension of time for completion of work is granted by the Officer-in-Charge against proper reasoning's, it will be taken for granted by the working contractor that the validity of the contract is extended automatically up to the extended period with all terms and conditions rates etc. remaining unaltered, i.e. the tender is revalidated up to the extended period. [Except in case of adjustment of price for increase or decrease of basic materials which is guided by relevant G.O.s]

C.3 Co-operation with other agencies and damages and safety of road users:

All works are to be carried out in close co-operation with the Office (WBSEPS) and other contract or contracts that may be working in the area of work. The work should also be carried out with due regard to the convenience of the road users and occupants of the adjacent locality, if any. All arrangements and programme of work must be adjusted accordingly. All precautions must be taken to guard against chances of injury or accidents to workers, road users, occupants of the adjacent locality etc. The contractor must see that all damages to any property which, in the opinion of the Officer-in-Charge are due to the negligence of the contractor are promptly rectified by the contractor at his own cost and expenses and according to the direction and satisfaction of the Officer-in-charge.

C.4 Contractor's Site Office :

The contractor shall have an office adjacent to the work as may be approved by the Officer-in-Charge where all directions and notice of any kind whatsoever, which the Officer-in-Charge or his representative may desire to give to the contractor in connection with the contract, may be left or sent by post to such office or delivered to the contractor's authorized agent or representative. For such intimation to the contractor's site office, it shall be deemed to be sufficient enough to be served upon the contractor.

C.5 Incidental and other charges:

The cost of all materials, hire charges to Tools and plants, labour, Corporation/Municipal / Fees for water supply, Royalty or road materials (if any), electricity and other charges of Municipalities or statutory local bodies, ferry charges, Toll charges, loading and unloading charges, handling chargers, overhead charges etc. will be deemed to have been covered by the rates quoted by the contractor inclusive of also Sales Tax (Central and/or State), Income Tax, Octroi Duty/Terminal Tax, Turnover Tax, VAT etc. All other charges for the execution of the specified work, including supply of materials and related carriage, complete or finished in all respect up to the entire satisfaction of the Engineer-in-charge of the work. No claim extra claim in this regard beyond the specified rate as per work schedule whatsoever in this respect will be entertained.

C.6 Authorized Representative of Contractor:

The contractor shall not assign the agreement or sublet any portion of the work. The contractor, may however, appoint and authorized representative in respect of one or more of the following purpose only.

a) General day to day management work.

b) To attend measurements when taken by the WBSEPS officers and sign the records of such measurements which will be taken of acceptance by the contractor.

The selection of the authorized representatives subject to the prior approval of the Director & Member Secretary/Additional Director of WBSEPS and the contractor shall in writing seek such approval of the Director & Member Secretary/Additional Director of WBSEPS giving therein the name of work, Tender No., the Name, Address and the specimen signature of the representative he wants to appoint and the specific purposes as specified in Clause 9, which the representative will be authorized for even after first approval, Director & Member Secretary/Additional Director of WBSEPS may issue at any subsequent date.

C.7 Extension of time:

For cogent reasons over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & plants etc. would be entertained under any circumstances. The contractor should consider the above factor while quoting this rate. Applications for such extension of time should be submitted by the contractor in the manner indicated in Clause-5 of the Printed form

C.8 Contractor's Godown:

The contractor must provide suitable godowns for cement and other materials at the site of work. The cement godown is to be sufficient in capacity and it must be water tight with either an elevated floor with proper ventilation arrangement underneath the floor or if solid raised flooring is made, cement is to be stored on bamboo or timber platform to the satisfaction of the Additional Director or his authorized representatives. No separate payment will be made for these godowns or for the store yard. Any cement, which is found at the time of use to have been damaged, shall be rejected and must immediately to remove from the site by the contractor as per directed of the Additional Director or his authorize representatives.

C.9 Work Order Book:

The contractor shall within seven days of receipt of the order to take up work, supply at his own cost one Work Order Book to the concerned officer, WBSEPS, who is authorized to receive and keep in custody the Work Order Book on behalf of the E WBSEPS. The Work Order Book shall be kept at the site of work under the custody of WBSEPS Officer or his authorized representative. The Work Order Book shall have machine numbered pages in triplicates. Directions or instruction from WBSEPS officers to be issued to the Contractor will be entered (in triplicate) in the Work Order Book (except when such directions or instructions are given by separate letters). The contractor or his authorized representative shall regularly note the entries made in the Work Order Book and also record thereon the action taken or being taken by him complying with the said directions or instruction on any relevant point relating to the work. The contractor or his authorized representative may take away the triplicate page of the Work Order Book for his own record and guidance. Cases of supplementary items or of claims may not be entertained unless supported by entries in the Work Order Book or any written order from the Tender Accepting Authority.

The first page of the Work Order Book shall contain the following particulars:

- a) Name of the Work ::
- b) Reference to contract number ::
- c) Contractual rate in percentage ::
- d) Date of opening of the Work Order Book ::
- e) Name and address of the Contractor ::
- f) Signature of the Contractor ::

g) Name & address of the Authorized representative ::
(if any of the contractor authorized by him) ::

Signature and address
of the Tenderer

Signature of Tender
Accepting Authority

C.10 Clearing Of Materials:

Before starting any work, work site, where necessary, must be properly dressed after cutting clearing all varieties of jungles shrubs, bamboo clusters or any undesirable vegetation from the alignment or site of works on completion of works all temporary structure or obstruction including some pipes in underground work, if any, must also be removed. All scars of construction shall be obliterated and the whole site shall be left in a clear and neat manner to the satisfaction of the Officer –in –charge / Engineer of WBSEPS. No separate payment shall be made for all these works, the cost thereof being deemed to have been included in the rates of various items of works quoted by the contractor in the schedule of probable items of works.

C.11 Sundry Materials:

The contractor must erect temporary pillars, master pillars etc. as may be required in suitable places as directed by the Officer -In-Charge / Engineer at his own cost before starting and during the work by which the official staff will check levels layout different works and fix up alignment and the contractor shall have to maintain and protect the same till completion of the work. All petty and sundry material like, pegs, strings, nails flakes instruments etc. and also skill labour require for setting out the levels for laying out difference structures and alignment shall also be supplied by the contractor at his own cost.

C.12 Supplementary / Additional items of Works:

Notwithstanding the provisions made in this NIT any item of the work which can be legitimately be considered as not stipulated in the specific price schedule of probable items of work but has become necessary as a reasonable contingent item during actual execution of work will have to be done by the Contractor if so, directed by the officer in-Charge/concerned Engineer and the rates will be fixed with manner as stated below: -

(a) Rate of supplementary items shall be analysed to the maximum extent possible from rates of the allied items of work appearing in the P.W. (Electrical) Department schedule of rates and CPWD DSR as applicable.

(b) If the rates of the supplementary items cannot be computed even after applications of clauses stated above, the same shall be determined by analyses from market rates of material, labour and carriage cost prevailing at the time of execution of such items work. Profit and overhead charges (both together) at 10% (Ten percent) will be allowed only; the contractual percentage will not be applicable.

(c) Unbalanced market rates shall never be allowed.

(d) Contractual percentage shall only be applicable with regard to the portions of the analysis based on clauses (a) & (b) stated above only.

It may be noted that the cases of supplementary items of claim shall not be entertained unless supported by entries in the Work Order Book or any written order from the tender.

C.13 Covered up works:

When one item of work is to be covered up by another item of work the latter item shall not be done before the former item has been measure up and has been inspected by the Officer -in-Charge or concerned Engineer, as the authorized representatives of the Officer-in-Charge and order given by him or proceeding with the latter item of work. When however, this is not possible for practical reasons, the concerned Official,if so, authorized by the Concerned Engineer may do this inspection in respect of minor works and issue order regarding the latter item.

C.14 Approval of Sample:

Samples of all materials to be supplied by the contractor and to be used in the work shall have to be approved by the Officer-in-Charge/Concerned Engineer and checking the quality of such materials shall have to be done by the Authority Concerned or as directed by Officer -in-Charge prior to utilization in the work.

C.15 Water and energy:

The contractor shall have to arrange for their own source of energy for operation of equipments and machineries, driving of pumping set, illuminating work site, office etc. that may be necessary in difference stages of execution of work. No facility of any sort will be provided for utilization of the Authority sources of energy existing at site of work. Arrangement for obtaining water for the work should also be made by the contractor at his own cost. All cost for getting energy and / or for any purpose whatsoever will have to be borne by the contractor for which no claim will be entertained.

All materials and Tools and Plants and all labour (skilled and unskilled) including their housing, water supply, sanitation, light, procurement of food staff, medical aid etc. are to be arranged for by the contractor. The cost for transportation of labour, materials and all items as aforesaid shall also have to be borne by the Contractor.

All works shall be carried out in conformity with the drawings supplied by this Office (WBSEPS). The contractor shall have to carry out all the works according to the drawings & detail working drawings to be supplied by the authority (WBSEPS) from time to time.

C.17 Serviceable Materials:

The responsibility for stacking the serviceable materials obtained during dismantling of existing structures/roads (to be decided by the Officer –in –charge / Concerned Engineer) and handling over the same to the officer-in-charge / Concerned Engineer of work of this Authority lies with the contractor and nothing will be paid on this account. In case of any loss or damage of serviceable materials prior to handling over the same to this Authority, full value will be recover from the contractor's bill at rates as will be assessed by the Officer in- charge / Concerned Engineer.

C.18 Unserviceable Materials:

The Contractor shall remove all unserviceable materials, obtained during execution at place as directed. The contractor shall dressed up and clear the work site after completion of work as per direction of the Officer-in-Charge / Concerned Engineer. No extra payment will be made on this account.

C.19 Contractor's risk for loss or damage:

All risk on account of railway or road carriage or carriage by boat including loss or damage of vehicles, boats, barges, materials or labour, if any, will have to be borne by the contractor.

C.20 Idle labour & additional cost:

Whatever the reasons may be no claim of idle labour, enhancement of labour rate additional establishment cost, cost of Toll and hire and labour charges of tools and plants, railway freight etc. would be entertained under any circumstances.

C.21 Charges and fees payable by contractor:

a) The contractor shall be all notices pay all fees required to be given or paid by any statute or any regulation or by-law of any local or other statutory authority which may be applicable to the works and shall keep the Authority against all penalties and liabilities of every kinds for breach of such statute regulation or law.

b) The Contractor shall have save harmless and indemnify the Authority from and against all claims demands suit and proceedings for or an account of infringement of any patent rights design, trade mark of name of other protected write in respect of any constructional plant machine, work, materials, thing or process used for or in connection with works or temporary works or any of them.

C.22 Tools and Plants:

All Tools and Plants required for the work will have to be deployed by the Contractor at his own cost; all cost of fuel and stores for proper running of the Tools and Plants must be borne by the Contractor.

C.23 Realization of Official claims:

Any some of money due and payable to the contractor (including security deposit returnable to him) under this contract may be appropriated by the Authority (WBSEPS) and set off against any claim of the Authority for the payment of sum of money arising out of this contract or under any other contract made by the contractor with the Authority (WBSEPS).

C.24 Compliance of different Acts:

The contractor shall comply with the provisions of the Apprentices Act, 1961, Minimum Wages Act, 1848. Contact Labour (Regulation and Abolition) Act 1970 and the rules and orders issued hereunder from time to time. If he fails to do so, Director & Member Secretary / Officer –in charge, WBSEPS may at his discretions, take necessary measure over the contract.

The Contractor shall also make himself for any pecuniary liabilities arising out on account of any violation of the provision of the said Act(s). The Contractor must obtain necessary certificate and license from the concerned Registering Office under the Contract Labour (Regulation & Abolition) Act, 1970.

The contractor shall be bound to furnish the Officer-In-Charge / Concerned Engineer all the returns, particulars or date as are called for from time to time in connection with implementation of the provisions of the above Acts and Rules and timely submission of the same, failing which the contractor will be liable for breach of contract and the officer -in-Charge/ Concerned Engineer may at his discretion take necessary measures over the contract.

COMMENCEMENT OF WORK:

The work must be taken up within the date as stipulated in the work order and completed in all respects within the period specified in Notice Inviting Tender.

C.25 Safety, Security and Protection of the environment:

The Contractor shall, throughout the execution and completion of the Works and the remedying of any defects therein:

(a) Have full regard for the safety of all persons and the Works (so far as the same are not completed or occupied by the Department),

(b) provide and maintain at his own cost all lights, guards, fencing, warning signs and watching, when and where necessary or required by the officer -in-Charge for the protection of the Works or for the safety and convenience of the public or others,

(c) take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation,

(d) Ensure that all lights provided by the Contractor shall be screened so as not to interfere with any signal light of the railways or with any traffic or signal lights of any local or other authority.

C.26 Programme of work:

Before actual commencement of work the contractor shall submit a programme of the Internal Electrification work clearly showing the required materials, men and equipment. The contractor will submit a programme of the Internal Electrification work in the pattern of Bar Chart or Critical Path Method and a time table divided into four equal periods of progress of work to complete the work within the specific period for approval of the Officer-In- Charge who reserves the right to make addition, alterations and substitutions to such programme in consultation with the contractor and such approved programme shall be adhered to by the contractor unless the same is subsequently found impracticable in part or full in the opinion of the Officer-In-Charge and is modified by him. The contractor must pray in writing, showing sufficient reasons therein for modification of programme.

C.27 Setting out of the work:

The contractor shall be responsible for the true and perfect setting out of the work and for the correctness of the position, levels, dimensions and alignments of all parts of work, if any rectification or adjustment becomes necessary the contractor shall have to do the same at his own cost according to the direction of the Officer-in- Charge. During progress of works, if any, error appears or arises in respect of position, level, dimensions or alignment of any part of the work contractor shall at his own cost rectify such defects to the satisfaction of the Officer-in-Charge. Any setting out that may be done or checked by either of them shall not in any way relieve the contractor or their responsibility for correctness and rectification thereof.

C.29 Precautions during works:

The contractor shall carefully execute the work without disturbing or damaging underground or overhead service utilities viz. Electricity, Telephones, Gas, Water pipes, Sewers etc. In case disturbances of service utilities is found unavoidable the matter should immediately be brought to the notice of the Officer-in-Charge and necessary precautionary measures as would be directed by the Officer-in-Charge shall be carried out at the cost and expenses of the contractor. If the service utilities are damaged or disturbed in any way by the contractor during execution of the work, the cost of rectification or restoration of damages as would be fixed by the Officer in- Charge concerned will be recovered from the contractor.

C.30 Testing of qualities of materials & workmanship:

All materials and workmanship shall be in accordance with the specifications laid down in the contract and IS codes and the Engineer-In-Charge reserves the right to test, examine and measure the materials/workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument machine, labour and materials as the Engineer-In-Charge may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Engineer-In-Charge without any extra cost. Besides this, he will carry out tests from outside Laboratory as per instruction of Engineer-In-Charge. The cost of all such tests would be borne by the agency.

C.31 Timely completion of work:

All the supply and the work must have to be completed in all respects within the time specified in Notice Inviting Tender from the date of commencement as mentioned in work order. Time for completion as specified in the tender shall be deemed to be the essence of the contract.

C.32 Procurement of materials:

All materials required to complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source.

C.33 Rejection of materials:

All materials brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect. In case of non-compliance of such order, the Engineer-In-Charge shall have the authority to cause such removal at the cost and expense of the contractor and the contractor shall not be entitled to claim for any loss or damage of that account.

C.36 Force Closure:

In case of force closure or abandonment of the works by the WBSEPS the contractor will be eligible to be paid for the finished work and reimbursement of expenses actually incurred but not for any losses.

C.37 Delay due to modification of drawing and design:

The contractor shall not be entitled for any compensation for any loss due to delays arising out of modification of the work and due to non-delivery of the possession of site.

C.38 Additional Terms & Conditions:

A few additional conditions under special terms and conditions:

1. Rate quoted shall be inclusive of clearing site including removal of surplus (both serviceable & unserviceable) earth, rubbish, materials etc. as per direction of the Officer-in-Charge.
2. Rate quoted shall be inclusive of West Bengal Sales Tax, Income Tax Octroi and all other duties, as applicable .
3. Display board to size 150cm X 90cm is to be provided at site of work with Sal Bullah Post at height 1.5 Metre at the cost of contractor including insertion as directed by the Officer –in –charge/ Concerned Engineer.
4. The Contractor is to display caution board maintaining at his own cost.
5. Deep excavation of trenches and left out for days shall be avoided.
6. The contractor or supplier should not import into West Bengal on competitive price basis.
7. The whole work will have to be executed as per Official drawings available in this connection at the tender rate.
8. As per Finance (Taxation) Department of Income Tax will be made from each bill of the contractors as per applicable rate in force.
9. In accordance with the West Bengal Taxation Laws (amendment) Ordinance Value Added Tax will be deducted from contractor's bill as per existing VAT rules.
10. **All equipments must be warranted for a period of 12 (twelve) months from the date of installation and commissioning.**

C.39. Payment of Bills: As mentioned in the NIT.

C.40 (a). Refund of Security Deposit: As mentioned in the NIT.

C.40 (b).Defect Liability Period:

The executed portion of the Internal Electrification should be guaranteed for 1 (one) year from the date of completion of the work.

If any defect / damage is found during the period as mentioned above the Contractor has to make the same good at his own expense to the specification at par with instant project work, or in default, the Officer-in-Charge/ Engineer –in –charge may cause the same to be made good by other agency and deduct the expense (of which the certificate the Officer-in-Charge/ Engineer –in -charge shall be final) from any sums that may be then, or at any time thereafter become due to contract or from his Security Deposit.
