B.	COMPANY DETAILS	COMPANY DETAILS 1	1. Proprietorship Firm (Trade License) 2. Partnership Firm (Partnership Deed, Trade License) 3. LTD. Company (Incorporation Certificate, Trade License) 4. Society (SOC. Registration Copy, Trade License) 5. Power of Attorney
C.	CREDENTIAL	CREDENTIAL1 CREDENTIAL2	1. As per Eligibility Criteria.
D.	MAN POWER	TECHNICAL PERSONNEL	List of Technical Staffs along with Structures & Organization
E	Machineries & Equipment	List of Machineries	Name of machineries and their purchase date/ fitment date and authenticate documents against purchase.

List of Machineries

Internal or immersion vibrators.
Steel reinforcement Cutting & Bending Machine
Welding Machine
Steel shuttering material
Floor grinding machine
Potable cutter
Generator
Tilting Drum mixer 230-280 litre capacity with Hooper
Tilting Drum mixer diesel of Electric operated with a minimum size of 230-280 litter automatic water measuring system and integral weigher (Hydraulic/ Pneumatic type)
Steel Prop
Form Vibrator
Surface/ Screed Vibrator
Hydraulic Jack Hammer
Lab equipment (as per requirement)

List of Equipment for Testing Laboratory

A. For Building Works

1. Balance

- I. 7Kg. to 10 Kg. capacity, semi-self indicating type-accuracy 10kg.
- II. 500gm. Capacity. Semi-self indicating type-accuracy 1gm.
- III. Pan balance-5Kg. Capacity-accuracy 10gms.

3. Sieves: as per IS 460-1962.

- i) I.S. sieves – 450mm. internal dia, of sizes 100 mm., 80 mm., 50 mm., 40 mm., 25 mm., 20 mm., 12.5 mm., 10 mm., 6.3 mm., 4.75 mm. complete with lid and pan.
- ii) I.S. sieves- 200 mm. internal dia (brass frame) consisting of 2.36 mm., 1.18 mm., 600 microns, 425 microns, 300 microns, 212 microns, 150 microns, 90 microns, 75 microns with lid and pan..

5. Equipment for slump test—slump cone, steel plate, tamping rod. Scale, scope.

6. Cube Mould 12 nos.

7. Compression testing machine.

8. Others as per requirement.

Field Testing Instruments

1. Steel tapes 3 m.
2. Vernier/slide calipers
3. Micrometer screw 25 mm. gauge.
4. A good quality plumb bob.
5. Spirit level, Minimum 30 cms. Long with 3 bubbles for horizontal vertical.
6. Wire gauge (Circular type) disc.
7. Foot rule.
8. Long nylon thread.
9. Rebound hammer for testing concrete.
10. Dynamic penetrometer.
11. Magnifying glass.
12. Screw driver 30 cms long.
13. Ball pin hammer, 100 gms.
14. Plastic bags for taking samples.
15. Moisture meter for timber.
16. Earth resistance tests (for Electrical Divisions).
17. Meggar (for Electrical Divisions).
18. Others as per requirement.

Note: Plant Machineries and equipments should be owned or arranged by the bidders.

B. Bid Evaluation committee.

Bid Evaluation Committee as constituted by the Director and Member Secretary concerned will evaluate the technical and financial eligibility of the bidder and recommend to the tender accepting authority.

SECTION - C

Special terms and conditions

C.1 General :

Unless otherwise stipulated all the works are to be done as per general conditions and general specifications as mentioned hereunder:

35. "Departmental Schedule", which means the "PWD (WB), **Schedule of Rates, (Effective from 1st December, 2015)**, for Building and Sanitary Plumbing works, issued by the Superintending Engineer Planning & Monitoring Circle, PWD & Convener, Combined Schedule Committee of PWD.

C.2 Terms & Conditions for Completion of the work:

No extension of time will be granted.

C.3 Co-operation with other agencies and damages and safety of road users:

All works are to be carried out in close co-operation with the Office (WBSEPS) and other contract or contracts that may be working in the area of work. The work should also be carried out with due regard to the convenience of the road users and occupants of the adjacent locality, if any. All arrangements and programme of work must be adjusted accordingly. All precautions must be taken to guard against chances of injury or accidents to workers, road users, occupants of the adjacent locality etc. The contractor must see that all damages to any property which, in the opinion of the Officer-in-Charge are due to the negligence of the contractor are promptly rectified by the contractor at his own cost and expenses and according to the direction and satisfaction of the Officer-in-charge.

C.4 Contractor's Site Office :

The contractor shall have an office adjacent to the work as may be approved by the Officer-in-Charge where all directions and notice of any kind whatsoever, which the Officer-in-Charge or his representative may desire to give to the contractor in connection with the contract, may be left or sent by post to such office or delivered to the contractor's authorized agent or representative. For such intimation to the contractor's site office, it shall be deemed to be sufficient enough to be served upon the contractor.

C.5 Incidental and other charges:

The cost of all materials, hire charges to Tools and plants, labour, Corporation/Municipal / Fees for water supply, Royalty or road materials (if any), electricity and other charges of Municipalities or statutory local bodies, ferry charges, Toll charges, loading and unloading charges, handling chargers, overhead charges etc. will be deemed to have been covered by the rates quoted by the contractor. Income Tax, Terminal Tax, Turnover Tax etc. All other charges for the execution of the specified work, including supply of materials and related carriage, complete or finished in all respect up to the entire satisfaction of the Engineer-in-charge of the work. No claim extra claim in this regard beyond the specified rate as per work schedule whatsoever in this respect will be entertained.

C.6 Authorized Representative of Contractor:

The contractor shall not assign the agreement or sublet any portion of the work. The contractor, may however, appoint and authorized representative in respect of one or more of the following purpose only.

- a) General day to day management work.
- b) To attend measurements when taken by the WBSEPS officers and sign the records of such measurements which will be taken of acceptance by the contractor.

The selection of the authorized representatives subject to the prior approval of the Director & Member Secretary/Additional Director of WBSEPS and the contractor shall in writing seek such approval of the Director & Member Secretary/Additional Director of WBSEPS giving therein the name of work, Tender No., the Name, Address and the specimen signature of the representative he wants to appoint and the specific purposes as specified in Clause 9, which the representative will be authorized for even after first approval, Director & Member Secretary/Additional Director of WBSEPS may issue at any subsequent date.

C.7 Extension of time:

For cogent reasons over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & plants etc. would be entertained under any circumstances. The contractor should consider the above factor while quoting this rate. Applications for such extension of time should be submitted by the contractor in the manner indicated in Clause-5 of the Printed form.

C.8 Contractor's Godown:

The contractor must provide suitable godowns for cement and other materials at the site of work. The cement godown is to be sufficient in capacity and it must be water tight with either an eeced floor with proper ventilation arrangement underneath the floor or if solid raised flooring is made, cement is to be stored on bamboo or timber platform to the satisfaction of the Additional Director or his authorized representatives. No separate payment will be made for these godowns or for the store yard. Any cement, which is found at the time of use to have been damaged, shall be rejected and must immediately to remove from the site by the contractor as per directed of the Additional Director or his authorize representatives.

C.9 Work Order Book:

The contractor shall within seven days of receipt of the order to take up work, supply at his own cost one Work Order Book to the concerned officer, WBSEPS, who is authorized to receive and keep in custody the Work Order Book on behalf of the WBSEPS. The Work Order Book shall be kept at the site of work under the custody of WBSEPS Officer or his authorized representative. The Work Order Book shall have machine numbered pages in triplicates. Directions or instruction from WBSEPS officers to be issued to the Contractor will be entered (in triplicate) in the Work Order Book (except when such directions or instructions are given by separate letters). The contractor or his authorized representative shall regularly note the entries made in the Work Order Book and also record thereon the action taken or being taken by him complying with the said directions or instruction on any relevant point relating to the work. The contractor or his authorized representative may take away the triplicate page of the Work Order Book for his own record and guidance. Cases of supplementary items or of claims may not be entertained unless supported by entries in the Work Order Book or any written order from the Tender Accepting Authority.

The first page of the Work Order Book shall contain the following particulars:

- a) Name of the Work ::
- b) Reference to contract number ::
- c) Contractual rate in percentage ::
- d) Date of opening of the Work Order Book ::
- e) Name and address of the Contractor ::
- f) Signature of the Contractor ::
- g) Name & address of the Authorized representative ::
- (if any of the contractor authorized by him) ::

C.10 Clearing Of Materials:

Before starting any work, work site, where necessary, must be properly dressed after cutting clearing all varieties of jungles shrubs, bamboo clusters or any undesirable vegetation from the

alignment or site of works on completion of works all temporary structure or obstruction including some pipes in underground work, if any, must also be removed. All scars of construction shall be obliterated and the whole site shall be left in a clear and neat manner to the satisfaction of the Officer –in –charge / Engineer of WBSEPS. No separate payment shall be made for all these works, the cost thereof being deemed to have been included in the rates of various items of works quoted by the contractor in the schedule of probable items of works.

C.11 Sundry Materials:

The contractor must erect temporary pillars, master pillars etc. as may be required in suitable places as directed by the Officer -In-Charge / Engineer at his own cost before starting and during the work by which the official staff will check levels layout different works and fix up alignment and the contractor shall have to maintain and protect the same till completion of the work. All petty and sundry material like, pegs, strings, nails flakes instruments etc. and also skill labour require for setting out the levels for laying out difference structures and alignment shall also be supplied by the contractor at his own cost.

C.12 Supplementary / Additional items of Works:

Notwithstanding the provisions made in the related printed tender form any item of the work which can be legitimately be considered as not stipulated in the specific price schedule of probable items of work but has become necessary as a reasonable contingent item during actual execution of work will have to be done by the Contractor if so, directed by the officer in-Charge/concerned Engineer and the rates will be fixed with manner as stated below: -

(a) Rate of supplementary items shall be analyzed to the maximum extent possible from rates of the allied items of work appearing in the P.W.D &P.W (Road) Department schedule of rates of probable items of work forming part of tender document.

(b) In Case, extra items do not appear in the above Public Works Department (W.B) Schedule of Rates for building works material and labour, sanitary & Plumbing works shall be paid at the rates entered in the Public Works Department (Roads) Schedule of Rates for the working area.

(C) If the rates of the supplementary items cannot be computed even after applications of clauses stated above, the same shall be determined by analyses from market rates of material, labour and carriage cost prevailing at the time of execution of such items work. Profit and overhead charges (both together) at 10% (Ten percent) will be allowed only; the contractual percentage will not be applicable.

(d) Unbalanced market rates shall never be allowed.

(e) Contractual percentage shall only be applicable with regard to the portions of the analysis based on clauses (a) & (b) stated above only.

It may be noted that the cases of supplementary items of claim shall not be entertained unless supported by entries in the Work Order Book or any written order from the tender.

C.13 Covered up works:

When one item of work is to be covered up by another item of work the latter item shall not be done before the former Item has been measure up and has been inspected by the Officer -in-Charge or concerned Engineer, as the authorized representatives of the Officer-in-Charge and order given by him or proceeding with the latter item of work. When however, this is not possible for practical reasons, the concerned Official, if so, authorized by the Concerned Engineer may do this inspection in respect of minor works and issue order regarding the latter item.

C.14 Approval of Sample:

Samples of all materials to be supplied by the contractor and to be used in the work shall have to be approved by the Officer-in-Charge/Concerned Engineer and checking the quality of such materials shall have to be done by the Authority Concerned or as directed by Officer -in-Charge prior to utilization in the work.

C.15 Water and energy:

The contractor shall have to arrange for their own source of energy for operation of equipments and machineries, driving of pumping set, illuminating work site, office etc. that may be necessary in different stages of execution of work. No facility of any sort will be provided for utilization of the Authority sources of energy existing at site of work. Arrangement for obtaining water for the work should also be made by the contractor at his own cost. All cost for getting energy and / or for any purpose whatsoever will have to be borne by the contractor for which no claim will be entertained.

All materials and Tools and Plants and all labour (skilled and unskilled) including their housing, water supply, sanitation, light, procurement of food staff, medical aid etc. are to be arranged for by the contractor. The cost for transportation of labour, materials and all items as aforesaid shall also have to be borne by the Contractor.

C.16 Drawings:

All works shall be carried out in conformity with the drawings supplied by this Office (WBSEPS). The contractor shall have to carry out all the works according to the drawings & detail working drawings to be supplied by the authority (WBSEPS) from time to time.

C.17 Serviceable Materials:

The responsibility for stacking the serviceable materials obtained during dismantling of existing structures/roads (to be decided by the Officer –in –charge / Concerned Engineer) and handing over the same to the officer-in-charge / Concerned Engineer of work of this Authority lies with the contractor and nothing will be paid on this account. In case of any loss or damage of serviceable materials prior to handing over the same to this Authority, full value will be recovered from the contractor's bill at rates as will be assessed by the Officer in- charge / Concerned Engineer.

C.18 Unserviceable Materials:

The Contractor shall remove all unserviceable materials, obtained during execution at place as directed. The contractor shall dress up and clear the work site after completion of work as per direction of the Officer-in-Charge / Concerned Engineer. No extra payment will be made on this account.

C.19 Contractor's risk for loss or damage:

All risk on account of railway or road carriage or carriage by boat including loss or damage of vehicles, boats, barges, materials or labour, if any, will have to be borne by the contractor.

C.20 Idle labour & additional cost:

Whatever the reasons may be no claim of idle labour, enhancement of labour rate additional establishment cost, cost of Toll and hire and labour charges of tools and plants, railway freight etc. would be entertained under any circumstances.

C.21 Charges and fees payable by contractor:

a) The contractor shall be all notices pay all fees required to be given or paid by any statute or any regulation or by-law of any local or other statutory authority which may be applicable to the works and shall keep the Authority against all penalties and liabilities of every kind for breach of such statute regulation or law.

b) The Contractor shall have save harmless and indemnify the Authority from and against all claims demands suit and proceedings for or an account of infringement of any patent rights design, trade mark or name of other protected write in respect of any constructional plant machine, work, materials, thing or process used for or in connection with works or temporary works or any of them.

C.22 Tools and Plants:

All Tools and Plants required for the work will have to be deployed by the Contractor at his own cost; all cost of fuel and stores for proper running of the Tools and Plants must be borne by the Contractor.

C.23 Realization of Official claims:

Any sum of money due and payable to the contractor (including security deposit returnable to him) under this contract may be appropriated by the Authority (WBSEPS) and set off against any claim of the Authority for the payment of sum of money arising out of this contract or under any other contract made by the contractor with the Authority (WBSEPS).

C.24 Compliance of different Acts:

The contractor shall comply with the provisions of the Apprentices Act, 1961, Minimum Wages Act, 1848. Contract Labour (Regulation and Abolition) Act 1970 and the rules and orders issued hereunder from time to time. If he fails to do so, Director & Member Secretary / Officer –in charge, WBSEPS may at his discretions, take necessary measure over the contract.

The Contractor shall also make himself for any pecuniary liabilities arising out on account of any violation of the provision of the said Act(s). The Contractor must obtain necessary certificate and license from the concerned Registering Office under the Contract Labour (Regulation & Abolition) Act, 1970.

The contractor shall be bound to furnish the Officer-In-Charge / Concerned Engineer all the returns, particulars or date as are called for from time to time in connection with implementation of the provisions of the above Acts and Rules and timely submission of the same, failing which the contractor will be liable for breach of contract and the officer -in-Charge/ Concerned Engineer may at his discretion take necessary measures over the contract.

COMMENCEMENT OF WORK:

The work must be taken up within the date as stipulated in the work order and completed in all respects within the period specified in Notice Inviting Tender.

C.25 Safety, Security and Protection of the environment:

The Contractor shall, throughout the execution and completion of the Works and the remedying of any defects therein:

- (a) Have full regard for the safety of all persons and the Works (so far as the same are not completed or occupied by the Department),
- (b) provide and maintain at his own cost all lights, guards, fencing, warning signs and watching, when and where necessary or required by the officer -in-Charge for the protection of the Works or for the safety and convenience of the public or others,
- (c) take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation,
- (d) Ensure that all lights provided by the Contractor shall be screened so as not to interfere with any signal light of the railways or with any traffic or signal lights of any local or other authority.

C.26 Programme of work:

Before actual commencement of work the contractor shall submit a programme of construction of work clearly showing the required materials, men and equipment. The contractor will submit a programme of construction in the pattern of Bar Chart or Critical Path Method and a time table divided into four equal periods of progress of work to complete the work within the specific period for approval of the Officer-In- Charge who reserves the right to make addition, alterations and substitutions to such programme in consultation with the contractor and such approved programme shall be adhered to by the contractor unless the same is subsequently found impracticable in part or full in the opinion of the Officer-In-Charge and is modified by him. The contractor must pray in writing, showing sufficient reasons therein for modification of programme. The conditions laid down in clause 2 of the printed tender form regarding the division of total period and progress to work and the time table there for as provided in the said clause shall be deemed to have been sufficiently complied with the actual progress of work and does not fall short of the progress laid down in the approved time table for one fourth, half and three fourth of time allowed for the work.

C.27 Setting out of the work:

The contractor shall be responsible for the true and perfect setting out of the work and for the correctness of the position, levels, dimensions and alignments of all parts of work, if any rectification or adjustment becomes necessary the contractor shall have to do the same at his own cost according to the direction of the Officer-in- Charge. During progress of works, if any, error appears or arises in respect of position, level, dimensions or alignment of any part of the work contractor shall at his own cost rectify such defects to the satisfaction of the Officer-in-Charge. Any setting out that may be done or checked by either of them shall not in any way relieve the contractor or their responsibility for correctness and rectification thereof.

C.29 Precautions during works:

The contractor shall carefully execute the work without disturbing or damaging underground or overhead service utilities viz. Electricity, Telephones, Gas, Water pipes, Sewers etc. In case disturbances of service utilities is found unavoidable the matter should immediately be brought to the notice of the Officer-in-Charge and necessary precautionary measures as would be directed by the Officer-in-Charge shall be carried out at the cost and expenses of the contractor. If the service utilities are damaged or disturbed in any way by the contractor during execution of the work, the cost of rectification or restoration of damages as would be fixed by the Officer in- Charge concerned will be recovered from the contractor.

C.30 Testing of qualities of materials & workmanship:

All materials and workmanship shall be in accordance with the specifications laid down in the contract and also as per M.O.R.T. & H's specification for Buildings Works (Latest Revision) and relevant IS codes and the Officer –in –charge/ Concerned Engineer reserves the right to test, examine and measure the materials/workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument, machine, labour and materials as the Officer –in –charge/ Concerned Engineer may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Officer –in –charge/ Concerned Engineer without any extra cost. Besides this, he will carry out tests from outside Laboratory as per instruction of Officer –in –charge/ Concerned Engineer. The cost of all such tests shall be borne by the agency.

C.31 Timely completion of work:

All the supply and the work must have to be completed in all respects within the time specified in Notice Inviting Tender from the date of commencement as mentioned in work order. Time for completion as specified in the tender shall be deemed to be the essence of the contract.

C.32 Procurement of materials:

All materials required to complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source.

C.33 Rejection of materials:

All materials brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect. In case of non-compliance of such order, the Engineer-In-Charge shall have the authority to cause such removal at the cost and expense of the contractor and the contractor shall not be entitled to claim for any loss or damage of that account.

C.34 Implied elements of work in items:

Except of such items as are included in the Specific Priced Schedule of probable items and approximate quantities no separate charges shall be paid for traffic control measures, shoring, shuttering, dewatering, curing etc. and the rates of respective items or works are to be deemed as inclusive of the same.

C.35 Damaged cement:

Any cement lying at contractor's custody which is found at the time of use to have been damaged shall be rejected and must immediately be removed from the site by the contractor or disposed of as directed by Engineer-in-Charge at the costs and expenses of the contractor.

C.36 Force Closure:

In case of force closure or abandonment of the works by the WBSEPS the contractor will be eligible to be paid for the finished work and reimbursement of expenses actually incurred but not for any losses.

C.37 Delay due to modification of drawing and design:

The contractor shall not be entitled for any compensation for any loss due to delays arising out of modification of the work and due to non-delivery of the possession of site.

C.38 Additional Conditions:

A few additional conditions under special terms and conditions:

1. Rate quoted shall be inclusive of clearing site including removal of surplus (both serviceable & unserviceable) earth, rubbish, materials etc. as per direction of the Officer-in-Charge.
2. Rate quoted shall be inclusive of West Bengal Sales Tax, Income Tax as applicable.
3. Display board to size 150cm X 90cm is to be provided at site of work with Sal Bullah Post at height 1.5 Metre at the cost of contractor including insertion as directed by the Officer –in – charge/ Concerned Engineer.
4. The Contractor is to display caution board maintaining at his own cost.
5. Deep excavation of trenches and left out for days shall be avoided.
6. The contractor or supplier should not import into West Bengal on competitive price basis.
7. The whole work will have to be executed as per Official drawings available in this connection at the tender rate.
8. As per Finance (Taxation) Department of Income Tax will be made from each bill of the contractors as per applicable rate in force.

C.39. Payment of Bills: As mentioned in the NIT

C.40 (a). Refund of Security Deposit:

The Contractor shall be responsible for satisfactory maintenance of the building at appropriate service level to the satisfaction of the Engineer –in –charge for a period of **6 (Six) Months** from the date of completion of the work.

C.40 (b).Defect Liability Period:

The executed portion of the building should be guaranteed for **6 (Six) Months** from the date of completion of the work and the entire rectification work will be done by the Agencies at their own cost.

If any defect / damage is found during the period as mentioned above the Contractor has to make the same good at his own expense to the specification at par with instant project work, or in default, the Engineer –in –charge may cause the same to be made good by other agency and deduct the expense (of which the certificate the Engineer –in –charge shall be final) from any sums that may be then, or at any time thereafter become due to contract or from his Security Deposit will only be made.
