Specification of work

E-Tender No. WBSEPS/DMS/e-3/24-25/SWS/ WB

Work for sanitation arrangement & water supply arrangement of Expo/ Fair ground and other allied works:

1) Construction of temporary toilet (latrine-cum-urinal) for use of artisans and public:

- (a) Temporary toilet (latrine-cum-urinal) both for ladies and gents is required to be constructed at the Expo/Fair ground separately in two places each measuring 4'x4'. The construction of toilet should be with brick flat soling, walling, flooring and cementing. Necessary water pipe, foot rest, pan, door etc. to be fitted properly. All cement plastering in floor and wall should be made of 15 mm thick (6:1 system). Plastic/polythene mug is to be supplied in each toilet for daily use. Tap water to be fitted properly and it is to be connected with water source. Total number of units to be constructed as per requirement will be mentioned in work order.
- (b) Roofing of toilet should be arranged by water and fire proof tarpaulin on a bamboo structure. Boundary should be covered with colour hessian/jute fitted with wooden batten frame to be fixed with bamboo post. Temporary door of plywood or G.I. Sheet with proper painting to be fixed with batten frame.
- (c) Toilet for ladies and gents to be marked by writing on wall or door or adjacent place with proper direction in English and Bengali.
- (d) Arrangement should be made to flow of water continuously in the toilet by connecting the pipe line in toilet with the main source of water.
- (e) Latrine and urinal should be kept clean every day with phenyl / deodorizer / naphthalene and bleaching powder.
- (f) All cost of maintenance work, deploying plumber, operator, labour or helper should be borne by the tenderer for such temporary toilet if constructed by him.
- (g) Dismantling of all types of sanitation and masonry work to be done after completion of Expo/Fair within scheduled time. Rubbish, earth etc. should be removed from the Expo/Fair Ground and disposed of the same beyond the compound in conformity with the Municipality/Corporation Rules for such disposal.

2) Construction of temporary VIP toilet within the Camp Office / Theme Pavilion or any other place of Expo/ Fair/ Programme Ground:

- a) Construction of temporary VIP toilet (latrine-cum-urinal) each of size measuring 7'x6' if not instructed other wise.

- b) Specification of construction, supply, fitting and fixing of all materials should be the same as mentioned in Sl. (1) above including soak well, water arrangement, cleaning, maintenance, dismantling and removal of rubbish etc.
- c) Extra decoration with glazed tiles/marbles, ceiling made of ply wood should be made as per direction. Wall should be at least 8' high with cement plastering and cementing. One mirror and one wash basin to be fitted properly within the toilet along with tap water.

3) Construction of temporary general urinal for use of artisans and public at State Handicraft Expo Ground:

- a) Construction/supply/fixing only urinal both for ladies and gents of about 20 units at the Expo Ground in 1 to 3 different places. Construction to be made with brick flat soling, brick work for side wall having at least 8' high, flooring, fixing of foot rest of brick, cementing floor and wall. Cement plaster should be 15 mm thick (6:1 system). Outlet to be fixed with waste pipe. Size of each unit should be 3'X4' (12 sq. ft.)
- b) Roofing by water and fire proof tarpaulin on bamboo structure. Boundary to be covered by jute hessian or cloth fitted with wooden batten frame on bamboo structure. Temporary door to be fixed properly.
- c) Urinal for ladies and gents to be marked by writing in front side in English and Bengali specifying direction.
- d) Water arrangement, cleaning, dismantling and removal of rubbish will be as specified and mentioned in 1 (d) to 1 (g).

4) Paving floor/wall with glazed tiles for special urinal/toilet/bathroom etc for use of artisans and public at State Handicraft Expo Ground:

For special urinal/toilet/bathroom/Chatal, floor/wall is to paved with glazed tiles with white cement or other suitable ingredients.

5) Construction of temporary Bathroom for bathing only.

- a) Construction of bathroom measuring generally 5'x4', if not other wise specified to be made with brick flat soling, brick work for side wall having at least 8' high, flooring, cementing floor and wall. Cement plaster should be 15 mm thick (6:1 system). Outlet to be fixed with waste pipe.
- b) Roofing by water and fire proof tarpaulin on bamboo structure. Boundary to be covered by jute hessian or cloth fitted with wooden batten frame on bamboo structure. Temporary door to be fixed properly.
- c) Bathroom for ladies and gents to be marked by writing in front side in English and Bengali specifying direction.
- d) Water arrangement, cleaning, dismantling and removal of rubbish will be as specified and mentioned in 1 (d) to 1 (g).

- e) Shower is to be provided along with PVC bucket and mug. There should be arrangement of holder for keeping cloths inside the bathroom.

6) Construction of temporary concrete platform with neat cement/Chatal for artisans at Expo/ Fair/ Programme Ground

- a) Temporary concrete platform with neat cement/Chatal is required in one or two places of Expo Ground both for gents and ladies. Normal size of the concrete platform will be 15'x12' if not specified other wise.
- b) Construction of concrete platform with neat cement of required size should be made with brick flat soling for at least 9" to 1' high from the ground, plastering (6:1 system) and cementing in complete keeping drainage system.
- c) Roofing of concrete platform with neat cement should be arranged by water and fire proof tarpaulin on a bamboo structure. Boundary should be covered with colour hassian/jute fitted with wooden batten frame to be fixed with bamboo post. Temporary door of plywood or G.I. Sheet with proper painting to be fixed with wooden bottom.
- d) Tap water arrangement is to be made with one tap for every 30 sq.ft of concrete platform. Tap should be connected with main source of water/ water tank to be fixed temporarily at the side of each bathing place.
- e) All cost of deploying labour, plumber, operator or helper should be borne by the tenderer.
- f) Dismantling of all types of construction and masonry work to be done after completion of Expo within scheduled time. Rubbish, earth etc. should be removed from the Expo ground and disposed of the same beyond the compound in conformity with the Municipality/Corporation rules for such disposal.

7) Temporary arrangement of storing and using of water on hire basis daily at Expo/ Fair/ Programme Ground:

- a) Supply of water tank (Syntax/Patton/ or equivalent make) of 1000 ltrs. / 750 ltrs. / 500 ltrs. capacity. Such tanks to be fixed and fitted at about 1 to 3' high from the ground for drinking/sanitation purpose. Tanks should be fixed on brick pillar constructed with cement plastering (6:1 system) under which a platform (15'X12') to be constructed with flat brick soling of about 2 ½' high from ground for taking the drinking water. Drainage system to be made to avoid water logging. Capacity may be changed as per requirement at the ground.
- b) Total water consumption may be 10000 ltrs. per day in every week days and 20000 ltrs. per day in every Sunday, Saturday and holidays. Arrangement of drinking water

will be made by the office but distribution of the same through water tank is to be made by the agency. Consumption of water may be changed as per requirement.

- c) Staff or helper should be provided if necessary to continue water supply.
- d) Dismantling of all types of construction and masonry work to be done after closing of Expo within scheduled time. Rubbish, earth etc. should be removed from the Expo ground and disposed of the same beyond the compound in conformity with the Municipal/Corporation rules for such disposal.

8) Arrangement for spray of water within Expo/ Fair/ Programme Ground

To avoid dust arrangement to spray water within the Expo ground is to be made. Supply of rubber pipe, pump, manpower/labour should be borne by the tenderer. Spray of water to be done two times daily for entire Expo period.

9) Construction of temporary Soak Pit:

Digging of 3½' dia soak well with depth 4', BLG lining with earthen ring as per direction and covering the top properly to avoid pollution hazard for each unit of toilet / latrine / urinal. Fitting/ fixing S. W. pipe properly joined with cement mortar (6:1) with each outlet of latrine and urinal. Night soil etc. is to be removed from soak pit as and when required to avoid over flow. After Expo and dismantling of construction, soak well be filled up with local sand and water.

10) Temporary Pump Set and Pipe Line:

Pump set at least 1 HP each is to be installed temporarily on hire basis as per requirement for filling water to the reservoir for use in toilet, bathing place, cleaning, spraying of water in the ground etc. It may be required to clear water clogged ground. Necessary pipe line (main pipe) to be fitted and fixed for flow of water from source, pump and reservoir to using place. Cost of fixing, maintenance and operator should be borne by the tenderer for Entire Expo period.

- a) All the rates should be including carrying cost, loading and unloading charges.

11. Temporary construction of latrine and urinal (both for gents and ladies) in one place / compound:

- (i) Construction of temporary latrine having each unit of about 16 sq. ft. X 7 units and urinal having each unit about 12 sq. ft. X 10 units for gents along with soak pit is to be made under one common shed. Latrine should have door for each unit. Construction work and dismantling will be same as 1(a), (d), (e), (f) and (g). The total area of shed will be about 30'X56' or 1700 sq. ft. approximately.

- (ii) Same latrines and urinals under a common shed of about 1700 sq. ft. area (latrine 7 units and urinal 10 units) for ladies as specified 1(a) above.
- (iii) Total roofing of toilets and urinals should be arranged by fire proof tarpaulin or GI Sheet on bamboo structure. Bamboo structure should be made properly on ground and stood steady during rain or wind. Boundary should be made by ply wall fixed with wooden bottom on the bamboo wall / structure. Colour of ply wall should be as per direction. One door to be fixed in proper place with curtain on door.

Inside this compound at least 3 (three) basins for hand wash along with water system and mirror above the each basin to be fitted.

12. Tube-well with hand pump/ Tube-well with submersible pump by digging earth on ground and fitting pipe line by boring as per direction and approval of the authority to be obtained by the tenderer. The hand pump of the tube-well to be fixed above a temporary construction which should be made by brick flat soling and cementing.
13. Extra pipe fitting and plumbing work on temporary basis.

14 . **Painting related to Urban Haat/ Biswa Bangla Shilpi Haat/Expo:-**

Sl. No.	Description of works

(Payment against this item will be made only when this has been done on the specific direction of the Engineer-in-charge).

**Director & Member Secretary
West Bengal State Export Promotion Society**

Terms and Condition

E-Tender No. WBSEPS/DMS/e-3/24-25/SWS/ WB

1. Both technical and financial bid should be uploaded in Govt. of West Bengal e-tender portal <http://wbtenders.gov.in>. No offline bid submission will be accepted.
2. Tenderers will have to enclose documentary proof in respect of undertaking work as specified in eligibility criteria along with other documents as mentioned in NIT.
3. In the Financial bid, rates are to be quoted inclusive of all type of charges and taxes other than GST, EPF / ESI / Bonus etc., if any for workers deployed for the work which should be borne and maintained by the tenderers. However, only **GST will be paid extra as per applicable rate.**
4. Engagement of workers should be done as per norms and rules set up by the Labour Department, Govt. of West Bengal. The tenderer should comply with all statutory norms, rules and regulations of the Government in vogue in respect of payment of wages, duty period etc.
5. The contract shall remain valid for three years from the date of effect of awarded contract and the accepted rate shall remain valid till the execution of work for which work order is issued during the contract period. Work orders will be issued for different work during the contract period and the contractor shall execute the work at the accepted rate for the work order issued during contract period.
6. **Earnest Money: - The amount of Earnest Money 20,000/- (Rs. Twenty thousand only) should be remitted through bidder's net banking enabled bank account, maintained at any bank or: offline –through any bank by generating NEFT/ RTGS challan from the e-tendering portal. Intending Bidder will get the beneficiary details from e-tender portal in favour of "West Bengal State Export**

Promotion Society", against the work.

7. The earnest money of unsuccessful NGOs/Agencies/Firms/organization] will be refunded in due course. No interest will be paid on the earnest money deposited.
8. The EMD deposited by successful agency will be retained and converted as Security deposit. The Security Deposit will be refunded after expiry or cancellation of enlistment for the successful tenderer. No interest will be paid on such security deposit.
9. **Evaluation Procedure:-** Financial bids submitted by the bidders who have qualified after evaluation of technical bids based on the fulfillment of eligibility criteria will be opened. Tender committee may seek photocopy/original documents from any bidder during evaluation of technical bids. Considering the volume of work to be completed within a limited time it is decided that maximum three No. of contractors/ agencies / organizations will be enlisted for the job. After opening of financial bids, a list of contractors/ agencies / organizations will be prepared in descending order of number of item-wise L1 rates quoted by them among all the items put to tender. In case of two or more number of bidders quoting same number of item-wise L1 rates, number of L2 rates quoted by them in descending order will be considered to determine the ranking. Initially, first three No. of contractors/ agencies / organizations will be considered for enlistment subject to the condition that the bidders shall accept the lowest rates obtained through e-tender for all the items or the rates finalised after negotiation. The other contractors/ agencies / organizations in the list of item-wise L1 bidders will be considered serially for enlistment, if first three bidders fail to accept the above condition.
10. Income tax or other tax, cess if any, will be deducted at source as per Government rate and existing rules at the time of payment of bills.
11. If any tenderer withdraws his/her tender after opening of tender without satisfactory reason his/her Earnest Money shall stand forfeited and he/she

- shall be banned from participating in any other tender floated by the Society for the next three years.
12. Before submitting any tender, tenderers are to satisfy themselves about actual work load, local conditions from office / visiting the site.
 13. No one will be allowed to sub-contract any part or full of the assigned work.
 14. Any conditional tender will not be considered.
 15. The incomplete tender or tenders which do not fulfill the terms and conditions, will be liable to be rejected.
 16. The tenderers have to quote rates for all the items put to tender. Partially filled up BOQ will summarily be rejected. In that case lowest rate quoted by accepted/eligible bidders will considered for finalisation of rates of items.
 17. The agency should submit bill in duplicate along with copy of work order to the Director & Member Secretary, WBSEPS, Kolkata.
 18. Tax invoice(s) needs to be issued by the supplier for raising claim under the contract showing separately the tax charged in accordance with the provisions of GST Act, 2017.
 19. Payment of bills for work, which should be completed within scheduled time, is to be made strictly on the basis of satisfactory completion report of the authorized representative of the appropriate authority for the purpose.
 20. For retention of any work/items for fair/Expo above 24 days, 30% of bill amount calculated on proportionate basis for additional retention period will be paid.

21. In case the work is done in deviation to the specification or with any defect is found, a reasonable reduction in rates as may be fixed by the appropriate authority, shall be made.
22. In case of violation / unsatisfactory performance in any of the above clauses / works, the concerned party will be penalized by way of cancellation of order and enlistment at any time, imposition of fine, and non-payment / deduction of amount from the bills amount etc. as will be decided by the authority.
23. The authority has the right to inspect the Godown or office of the tenderers, if required. The tenderers who have no godown and office of their own are not eligible for the job.
24. If any tenderer withdraw his tender before its acceptance/rejection or withdraw or disagree with terms and conditions after acceptance without satisfactory reason, he may be disqualified to tender for the next 1 (one) to 3 (three) years as per decision of the authority.
25. **The authority i.e. WBSEPS reserves the right to accept the lowest rate / negotiated rate and allot total/ part of the work according to the requirement without assigning any reason thereof.**
26. West Bengal State Export Society reserves the right to reject any or all the bids without assigning any reason thereof.
27. **The authority reserves the right to revoke the enlistment before expiry of its validity period due to any unforeseen reason.**
